HealthNet At A Glance

HealthNet of Rock County provides medical and dental services to patients at significantly lower costs for the underserved. Through partnerships, HealthNet is able to leverage medical and dental professionals with volunteer time, donated medical supplies, and medications.

Value to Our Community

\$1.5 million in prescriptions are dispensed annually

Currently

More than 10,000 visits annually to our clinics

Our Goal for the Future

Your return on investment means that each dollar donated provides \$6.60 of medical, dental care and medications

Healthier families become more stable and employable families

HealthNet of Rock County currently has:

- 23 staff members
- Over 65 volunteers
- Provided services to more than 3,030 patients through 9,147 visits in 2020.
- Provided more than 3,100 doses of the COVID-19 Vaccine to the general population

Currently, HealthNet operates out of three locations:

- Dental clinic at Creston Park Mall
- Pharmacy and Medical clinic second floor of 23 West Milwaukee
- Administrative offices first floor and basement of 23 West Milwaukee

In May 2021, HealthNet of Rock County purchased 113 S. Franklin Street in Janesville to consolidate our operations into a 12,472 sq. ft space

With this new facility for our organization, we will have the opportunity to:

- More than double our medical services rooms
- More than triple dental services
- Provide dental services for individuals with developmental disabilities, who are critically underserved
- Provide limited laboratory testing
- Provide area for mental health services
- Begin addiction programs with medication assisted treatment, individual therapy, group therapy, and peer support
- Begin a women's health clinic
- Allow for more volunteer opportunities to treat more patients
- Increase medications and medical equipment storage; and administrative support area
